By James Suckling

**95
POINTS**

A solid new red with velvety tannins and plenty of berry, currant and chocolate flavors. Walnut undertone. Full body. Refined and lightly chewy. Fresh and clean finish. Super selection of merlot. Needs a year or two to soften. Only 400 bottles.

SANSONINA

Evaluna Cabernet Garda DOC 2016

“An elegant, medium-bodied red, with light, taut tannins framing a pure beam of black currant and accents of mineral, star anise and dried thyme. Fresh and lovely, with a lingering finish.”

Lugana Fermentazione Spontanea

Vigna del Moraro Verde 2015

On the southern riverbank of Lake Garda, from very old plants. Fermented with wild yeast in steel containers. On the nose, yellow fruit, including citrus. In the mouth, juicy on the entrance from grapefruit, then softening with yellow fruit and returning taut at the finish thanks to a flavorful closing of capers.
